Letter no. S. - 3715 | 28-29 dated 3rd July 1929 from the Deputy Commissioner Tinsukia District requesting Government to sanction the proposals of the Tinsukia Mittal and the Local Fund to pay a recurring Contribution of Rs. 500 each for the opening of Girls High school at Tinsukia.

The Dy. Commr. states that the D. P. I has also been addressed in the matter.

It is not known whether the proposal to open a Girls High school at Tinsukia has been received and approved. The Director may perhaps be consulted.

3. Again it is for consideration whether Govt. should spare money for this when they have to provide 30% more for primary edn & also undertake repair of 1½ lacs of roads & bridges & inland water transport roads (now) passing thro' Mittal Local Fds. This may also be enquired into.

Government have approved the starting of a IV Form class in connection with the Girls' Middle school at Tumkur. Formal orders will issue, but in the meanwhile I shall be obliged if you will make the necessary arrangements for removing the primary classes from the Middle school building to another suitable building, which I learn, you have in view. Also, till other arrangements are made Sri Ammakuttiamma, Assistant Inspectress of Girls' Schools, may be placed in charge of the school as Head Mistress. Sri Ratnamma who has been posted as Head Mistress of the Middle school will work as Science Assistant. The institution will require one more graduate to teach Mathematics and Physics and I hope to send a suitable candidate by 1st August, on which day I want the new class to start work. Suitable part-time arrangements should also be made for - - instruction in the second languages. Please consult the Head Master of the High school and arrange for the Sankrit and Kannada Pandits to undertake this extra work. You will also hear from the Deputy Director in the usual course; but as time is very short you will kindly take all necessary measures to start the school on the 1st August."
